### **Mountain America Celebrates New Branch**

SALT LAKE CITY, May 20, 2009—Mountain America Credit Union opened its new Spanish Springs branch at 700 Los Altos Parkway in Sparks, Nevada last month. This is the second Mountain America location in Sparks.

The Sparks Chamber of Commerce welcomed branch manager, Tammy Cantrelle-Smith, and her staff at a Ribbon Cutting Ceremony on Friday, May 15, 2009.

The following day the credit union celebrated its grand opening with a barbeque for members and neighboring residents. Attendees had an opportunity to guess how much money was on the “money tree” for a chance to win that amount in cash, as well as enter a drawing for a barbeque grill.

Cantrelle-Smith and her staff opened ten new accounts and had a chance to talk to members throughout the day. She said, “The grand opening barbeque is a great way to get to know our members, thank them for their business and find out what’s on their minds—to see how we can help.”

Mountain America is a full-service financial institution offering everything from checking accounts to mortgages and business services.

With roots dating back to the 1930’s, Mountain America Credit Union is a tradition for many members. Today the credit union serves more than 322,000 members and has over \$2.8 billion in assets. Recently Mountain America was noted as having the strongest brand among all U.S. credit unions with assets of \$1 billion or more by the non-affiliated Bancography brand index.
