Salt Lake Chamber Names Board of Governors

SALT LAKE CITY, June 16, 2009— The Salt Lake Area Chamber of Commerce has named Sterling Nielsen as a member of its Board of Governors.

Nr. Nielsen is President/CEO of Mountain America Credit Union. He was named to lead Mountain America Credit Union in the fall of 2008. The three-year term as a Board Governor begins in July of this year.

“This group is made up of leaders of some of the top companies in the state. Participation with this group will give me exposure to some of the minds behind the “best practices” throughout Utah. I’m pleased to have been asked to serve,” Nielsen says of his appointment.

Mr. Nielsen also serves on a number of other community and credit union organizations. A certified public accountant, he serves as vice-chairman of the Credit Union National Association (CUNA) Accounting Subcommittee, as a director and past chairman of the West Jordan Chamber of Commerce, a director of the Utah League of Credit Unions, chairman of Member Business Lending, LLC, a national leader in small business lending, and a member of the National Credit Union Roundtable.

With roots dating back to the 1930’s, Mountain America Credit Union is a tradition for many members. Today the credit union serves more than 322,000 members and has over \$2.8 billion in assets. Recently Mountain America was noted as having the

strongest brand among all U.S. credit unions with assets of \$1 billion or more by the non-affiliated Bancography brand index. Visit www.macu.com for more information.
